#### Topics Covered (excerpt):

- Music Production
- Audio Engineering (Mixing, Mastering, Sound Design, Acoustics, and more...)
- Music Theory (Harmony, Rhythm, Arrangement, and more...)
- Composition (classical)
- Digital Signal Processing, MAX (cycling 74` )

### 3. Add-Ons

- **Vocal Editing:** €80/track
- **Expedited Turnaround (7 days):** +15% fee

#### Turnaround Time

- **Standard (Mixing + Mastering):** 14 days (from project approval).
  - For Music Production: the turnaround time can depend a lot on project size, requirements, and other external factors depending on project scope. Most only electronic music productions without vocal production don't need more turnaround though – mostly this applies to acoustic productions or pop productions.
- **Delays:** Communicate upfront for deadline adjustments.
